

I Sometimes Wish I Was Dead

Depeche Mode

New sound all around
You can hear it too
Get it hot, never stop
Just for me and you
Playing on my radio
And saying that you had to go

New day, turn away
Wipe away the tear
New night, feel alright
Knowing that you're here
Dancing with you all the time
And don't you think that it's a crime

Back street, never meet
Never say goodbye
I know where you go
But I don't know why
You say that it's from above
And I say "this is modern love?"
