Mercy in You

Depeche Mode

You know what I need When my heart bleeds I suffer from greed A longing to feed On the mercy in you

I can't conceal The way I'm healed The pleasure I feel When I have to deal With the mercy in you

I would do it all again Lose my way and fall again Just so I could call again On the mercy in you

When here in my mind I feel inclined To wrongly treat you unkind I have faith I will find The mercy in you

I would lose my way again Be led hopelessly astray again Just so I could pray again For the mercy in you

When here in my mind I have been blind Emotionally behind I have faith I will find The mercy in you
