Never Let Me Down Again

Depeche Mode

1. I'm taking a ride
With my best friend
I hope he never lets me down again
He knows where he's taking me
Taking me where I want to be
I'm taking a ride
With my best friend

R: We're flying high We're watching the world pass us by Never want to come down Never want to put my feet back down On the ground

2. I'm taking a ride With my best friend I hope he never lets me down again Promises me I'm as safe as houses As long as I remember who's wearing the trousers I hope he never lets me down again

R: Were flying high...

*: Never let me down
Never let me down
Never let medown
Never let me down
See the stars they're shining bright
Everything is al
right tonight...
