Oh Well

Depeche Mode

Oh you've got a way about you Oh I know so much about you Girl Life won't be the same without you Life will surely be the one to tell Listen to what she's trying to tell you She could be the one who's going to save you Oh well Oh well Life won't be the same without you Life will surely be the one to tell It's nothing to feel ashamed about Nothing I can complain about

Oh well
