People Are People

Depeche Mode

People are people So why should it be You and I should get along so awfully

So we're different colours And we're different creeds And different people have different needs It's obvious you hate me Though I've done nothing wrong I've never even met you so what could I have done

I can't understand What makes a man Hate another man Help me understand

Help me understand

Now you're punching And you're kicking And you're shouting at me I'm relying on your common decency So far it hasn't surfaced But I'm sure it exists It just takes a while to travel From your head to your fists
