On another world

By another star

At another place and time

In another state of consciousness

In another state of mind

Everything was almost perfect Everything fell into place The jury reached a different verdict Before the judge dismissed the case

In a parallel universe
That's happening right now
Things between us must be worse
But it's hard to see just how

And everything could have been perfect Everything in the right place Then I wouldn't have to play the suspect Accused, abandoned, and disgraced

I didn't shoot
I didn't pull the trigger
It wasn't me
I'm just a plain and simple singer
I heard the sound
I turned my head around
To watch our love shot down

In another lonely universe We're laying side by side And no one's hurt And no one's cursed And no one needs to hide

And everything is almost perfect Everything is almost right There are never any conflicts There are never any fights
