

Pipeline

Depeche Mode

Get out the crane
Construction time again
What is it this time

We're laying on a pipeline

Let the beads of sweat flow
Until the ends have met, though
It could take a long time

Working on a pipeline
Taking from the greedy, giving to the needy

On this golden day
Work's been sent our way
That could last a lifetime

Working on a pipeline

From the heart of the land
To the mouth of the man
Must reach him sometime

We're laying on a pipeline

Taking from the greedy, giving to the needy
