

# Pipeline

Depeche Mode

Get out the crane  
Construction time again  
What is it this time

We're laying on a pipeline

Let the beads of sweat flow  
Until the ends have met, though  
It could take a long time

Working on a pipeline  
Taking from the greedy, giving to the needy

On this golden day  
Work's been sent our way  
That could last a lifetime

Working on a pipeline

From the heart of the land  
To the mouth of the man  
Must reach him sometime

We're laying on a pipeline

Taking from the greedy, giving to the needy
