## **Pipeline**

## **Depeche Mode**

Get out the crane Construction time again What is it this time

We're laying on a pipeline

Let the beads of sweat flow Until the ends have met, though It could take a long time

Working on a pipeline
Taking from the greedy, giving to the needy

On this golden day Work's been sent our way That could last a lifetime

Working on a pipeline

From the heart of the land To the mouth of the man Must reach him sometime

We're laying on a pipeline

Taking from the greedy, giving to the needy
