

Stripped

Depeche Mode

1. Come with me
Into the trees
We'll lay on the grass
And let the hours pass
2. Take my hand
Come back to the land
Let's get away
Just for one day
- R: Let me see you
Stripped down to the bone
Let me see you
Stripped down to the bone
3. Metropolis
Has nothing on this
You're breathing in fumes
I taste when we kiss
4. Take my hand
Come back to the land
Where everything's ours
For a few hours
- R: Let me see you...
- *: Let me hear you
Make decisions
Without your television
Let me hear you speaking
Just for me
- R: /: Let me see you
Stripped down to the bone
Let me hear you speaking
Just for me :/
