

# Waiting for the Night

Depeche Mode

I'm waiting for the night to fall  
I know that it will save us all  
When everything's dark  
Keeps us from the stark reality

I'm waiting for the night to fall  
When everything is bearable  
And there in the still  
All that you feel is tranquillity

There is a star in the sky  
Guiding my way with its light  
And in the glow of the moon  
Know my deliverance will come soon

I'm waiting for the night to fall  
I know that it will save us all  
When everything's dark  
Keeps us from the stark reality

I'm waiting for the night to fall  
When everything is bearable  
And there in the still  
All that you feel is tranquillity

There is a sound in the calm  
Someone is coming to harm  
I press my hands to my ears  
It's easier here just to forget fear

And when I squinted  
The world seemed rose-tinted  
And angels appeared to descend  
To my surprise  
With half-closed eyes  
Things looked even better  
Than when they were open

Been waiting for the night to fall  
I knew that it would save us all  
Now everything's dark  
Keeps us from the stark reality

Been waiting for the night to fall  
Now everything is bearable  
And here in the still  
All that you feel is tranquility
