

# Welcome to My World

Depeche Mode

Welcome to my world  
Step right through the door  
Leave your tranquilizers at home  
You don't need them anymore

All the drama queens are gone  
And the devil got this made  
He backed up and fled this town  
His master plan delayed

And if you stay a while  
I'll penetrate your soul  
I'll bleed into your dreams  
You want to lose control

I weep into your eyes  
I make your vision see  
I'll open endless skies  
And right your broken wings

Welcome to my world  
Welcome to my world  
Welcome to my world

Watch the sunrise set  
And the moon begin to blush  
And make it in a search  
Translucently too much

And I hold you in my arms  
I keep you by my side  
And we sleep the devil's sleep  
Just to keep him satisfied

And if you stay a while  
I'll penetrate your soul  
I'll bleed into your dreams  
You want to lose control

I weep into your eyes  
I make your vision see  
I'll open endless skies  
And right your broken wings

Welcome to my world  
Welcome to my world  
Welcome to my world
