

# When the Body Speaks

Depeche Mode

To the soul's desires  
The body listens  
What the flesh requires  
Keeps the heart imprisoned

What the spirit seeks  
The mind will follow  
When the body speaks  
All else is hollow

I'm just an angel  
Driving blindly  
Through this world

I'm just a slave here  
At the mercy  
Of a girl

Oh I need your tenderness  
Oh I need your touch  
Oh I dream of one caress  
Oh I pray too much

To the soul's desires  
The body listens  
What the flesh requires  
Keeps the heart imprisoned

What the spirit seeks  
The mind will follow  
When the body speaks  
All else is hollow

You keep me waiting  
For the promise  
That is mine

Please stop debating  
Please stop wasting  
Your time

Oh I need your tenderness  
Oh I need your touch  
Oh I dream of one caress  
Oh I pray too much
