Depresy

Lies, manipulation, deceit
A cruel form of fictitious reality
Only increased interest in the given things
Leads to awakening and discloses the fallacy
We are forced by some to think
The only truth-seekers are religious freaks
But those underlie pulsing filth of this world!
They were brought by those
Who brought the reign
Your miserable education, the bank cartels
The rulers don't care about you and your family
I DON'T KNOW WHAT GOD IS
BUT I KNOW WHAT GOD IS NOT!
All they have ever cared about
Is how to overrule this hatred world
We were led astray from the real
Presence of the ABSOLUTE universe
Presence of Gaia int the universe
I DON'T KNOW WHAT GOD IS
BUT I KNOW WHAT GOD IS NOT!
The more you learn
The more you begin to see
And things apparent
Become the fallacy
What you're about to discover
Is flirting with ABSOLUTE justice
Because THE TRUTH will set us free
