

## Charades

Depswa

You think I'm so easy  
And you think I'm so naïve  
Well you better think a little harder  
Because you're not the first I've ever seen

And what you think ain't so bad  
If you use it for what you want to see  
And what I want ain't so bad  
It's a part of what we are and what we need

And you think I, I didn't notice  
What surrounds you and swallows you so whole  
Not for a second or a minute did realize there's a reason  
that I ever have stopped it from taking you  
Let it all swallow you

Don't be afraid  
Because I'm only here to share with you my world  
We could swim in the ocean or we could sit up on the sands  
And dream of the way that we could be

So, so what should we do now?  
So, so so what should we do now?
