

The Biggest Part

Depswa

It was a little part of me
That was afraid to do the things I always wanted to
And some other parts of me
That was always regret for never telling you
Just just how I fell for you

And the bigger part of me
Wants someone to call my own
(but its only the biggest part)
And the biggest part of me
Never wants to be alone
(but its only the biggest part)

And I guess the timid side of me
So afraid to see rejection
So never took the steps that I needed to just make a connection
And watch you walk away from me

And the bigger part of me
Wants someone to call my own
(but its only the biggest part)
And the biggest part of me
Never wants to be alone
(but its only the biggest part)

And these pieces of me have now broken
Fall to the floor
These little pieces
I have no more to fill this void inside of me were you should be
My biggest fear is that I'll die alone
Its all coming to clear
That I'll die alone

And the bigger part of me
Wants someone to call my own
(but its only the biggest part)
And the biggest part of me
Never wants to be alone
(but its only the biggest part)
