

I'm Your Man

Derailers

I'm your man, yes I am
Oh, I can get the job well done
Just throw me a little opportunity
And I'll prove it to you, I'm the one

I'm your man, yes I am
So baby give me a chance
You may not know it
But I know for sure that I wanna be your man

Well, you took me by surprise
Like lightning from above
When I look into your eyes
I see the girl I love

I'm your man, yes I am
And baby it's out of my hands
It can't be nothin' but a full time spot
'Cause, baby, I'm your man

I'm your man, yes I am
So, baby throw me a bone
Oh, I can work twice as hard as any man could
And I hate to see you work alone

I'm your man, yes I am
So, baby, give me a chance
You may not know it
But I know for sure that I wanna be your man

Well, you took me by surprise
Like lightning from above
When I look into your eyes
I see the girl I love

I'm your man, yes I am
And baby it's out of my hands
It can't be nothin' but a full time spot
'Cause, baby, I'm your man

No no oh, it can't be nothin' but a full time spot
'Cause, baby, I'm your man
