

Raspberry Beret

Derailers

I was working part-time at a five and dime my boss was Mr McGee
He told me many times he didn't like my style said I was too leisurely

Well I was busy doing something close to nothing but different
than the day before

That's when I saw her ooh Lord I saw her she came in through the outdoor

Wearing that raspberry beret the kind you buy at a second-hand store

Raspberry beret and when the weather was warm she wouldn't wear much more

Raspberry beret I think I love her

Built like she was she had the nerve to ask me if I planned to do her any harm

So I put her on the back of my motorcycle and took her down to the farm

Now overcast days never turned me on but something about the clouds and her mixed

You know that little girl she wasn't very bright but she knew how to get a kiss

Wearing that raspberry beret...

The horses wonder who you are

Something about thunder and lightning you feel like a movie star

Now I heard it said the first time ain't the greatest

Ah but I'm here to tell ya I would not change a stroke

Cause you know I'm the most

Especially with the honey that come in the door

Wearing that raspberry beret...

I think I love her
