I was working part-time at a five and dime my boss was Mr McGee He told me many times he didn't like my style said I was too le isurely

Well I was busy doing something close to nothing but different than the day before

That's when I saw her ooh Lord I saw her she came in through the outdoor

Wearing that raspberry beret the kind you buy at a secondhand store

Raspberry beret and when the weather was warm she wouldn't wear much more

Raspberry beret I think I love her

Built like she was she had the nerve to ask me if I planned to do her any harm

So I put her on the back of my motorcycle and took her down to the farm

Now overcast days never turned me on but something bout the clo uds and her mixed

You know that little girl she wasn't very bright but she knew h ow to get a kiss

Wearing that raspberry beret...

The horses wonder who you are

Something about thunder and lightning you feel like a movie sta ${\bf r}$

Now I heard it said the first time ain't the greatest Ah but I'm here to tell ya I would not change a stroke Cause you know I'm the most

Especially with the honey that come in the door Wearing that raspberry beret...

I think I love her
