I'm looking real with the romies are so far
Some feels bad some really good, could I have to beat ?
There's nothing fair
I'm looking real with the romies are so far
Some feels bad some really good, could I have to beat ?
There's nothing fair
For the are now
Empty cry eyes are looking high
Will stay with me

Resignation of losing all You're communicate with you Something is lost from this nonsense Just go with your soul You're not alone, You're not alone, not a piece of You are a freshen beyond Every one you met here will be just And curses lead alone This the end that you bring you're the one how guess Reaching to ignition everyone performs With call lot Still front, were the that eat the lin And out out the soon get good And you kick it and Its seems that it hard to. You know now the crowd be on the And that never get your cool You're alone, not a piece of You're a affair, everyone you'll met here is just ain't fair you're the one how guess Reach the ignition, everyone performs on hurt Don't come to positions, its not time to ... no permission from the people

Slowly dies You're alone, not a piece of You're a affair, everyone you'll met here is just ain't fair you're the one how guess

you're the one how guess Reach the ignition, everyone performs on hurt
