

## My Life Back

Derdian

Do you really want to know the story of my life?  
I'll let the music talk, I swear this is not a lie  
I'm not used to pray, I have no faith  
Maybe someone's done for me and now I can tell and leave  
Give me the time, I'll find the secret to change my destiny  
Follow the rhymes, open your mind and let your thoughts flow fr  
ee  
I was frail and afraid, I was far, far from grace  
Couldn't find any place, not to feel I'm erased  
There's no moon, there's no sun  
Just a few of the stars that light my mind  
To be safe of the past and get my life back  
They get my life back

Oh, but can we vanquish, end the rebel day pain  
Love, are you replenished(?) and I add no ?  
Dogs that beg for demandings, and drag like a ?  
And I was like a crazy born slave of the long lost ride

Safely through time(?) I found the secret to change my ?  
For all the rights, open your mind and let your thoughts flow f
