

# Nothing Is Ever Enough

Derek Webb

She's not real, she's the spokes on a wheel  
But the way she moves will take you where you wanna go  
And you're the one that she steals from  
But if not you she's gonna find somebody else  
'cause nothing is ever enough  
and you love her but you know you've got to leave her  
'cause she's leaving you with no way out  
she's a jewel in the nose of a fool  
She's beautiful but she don't know who she is  
And you're a wreck because you suspect  
That she'll never be who she was years ago  
'cause nothing is ever enough

Maybe you don't see it  
But she's waiting everywhere you're gonna go  
In the faces of the people who look at you  
Like someone that they know
