Got You On My Mind

Derrick Morgan

Got you on my mind Feeling kinda sad and low (So sad, sad and so low)

Got you on my mind Feeling kinda sad and low (So sad, sad and so low)

Wondering where you are Wondering why you have to go (To go, have to go)

Tears began to fall Every time I call your name (Your name, call your name)

Tears began to fall Every time I call your name (Your name, call your name)

Wondering where you are Wondering why you have to go

No matter how I try my love it wouldn't come back to me You most wanted (Come back to me) If it should ever be that you should always come to me Darling, I will be free, oh, so free

Got you on my mind Feeling kinda sad and low (So sad, sad and so low)

Got you on my mind Feeling kinda sad and low (So sad, sad and so low)

Wondering where you are Wondering why you have to go (To go, have to go)

Wondering where you are Wondering why you have to go (To go, have to go)

Wondering where you are Wondering where you have to go (To go, have to go) Wondering where you are
