

I Want To Go Home

Derrick Morgan

I want to go home, I want to go home
Lord oh, I want to go home

If you see my mother
My dear sister and brother, yeah
Tell Lord oh, I want to go home

This life I'm livin'
Is better off dying, yeah
Lord oh, I want to go home

I want to go home, I want to go home
Lord oh, I want to go home

I want to go home, I want to go home
Lord oh, I want to go home

I want to go home, I want to go home
Lord oh, I want to go home

I want to go home, I want to go home
Lord oh, I want to go home
