

## Travel On

Derrick Morgan

You can go your ways  
I wanna see you no more, my dear  
Please forget about me  
Regardless what it might brings, I'm fair  
'cause you made a mistake  
And now you lost your chance, travel on

At nights I came in  
You already into a end, my dear  
With a new boyfriend  
That you find in a minute, hmmm  
So you made a mistake  
And now you lost your chance, travel on
