

# Indigo Daisies

Des'ree

Sitting in fields  
Surrounded by daisies  
Was her fate

She loves him, she loves him not  
He loves her but he forgot  
Now it's too late

She's down to 3 petals  
She hears the whistle from the kettle  
But should she stay?

'Cos running never solves anything  
Running changes nothing  
You better stay

But if you're running to another's arms  
Running to another's charms  
Then go away

Indigo daisies  
Indigo daisies

Sitting on the train  
Surrounding by faces  
She doesn't know

She doesn't have a book to read  
The journey takes infinity  
She sucks a polo

She remembers the pavilion  
He made her feel  
A million sweeter days

'Cos running never solves anything  
Running changes nothing  
You better stay

But if you're running to another's arms  
Running to another's charms  
Then go away

Indigo daisies  
Indigo daisies

'Cos running never solves anything  
Running changes nothing  
You better stay

But if you're running to another's arms  
Running to another's charms  
Then go away

Indigo daisies  
Indigo daisies

Indigo daisies  
Indigo daisies

Running never solves anything  
Running never solves anything

'Cause there was a time  
I was surrounded  
By beautiful flowers

There was a time  
I was surrounded  
By beautiful flowers
