You Gotta Be

Listen as your day unfolds, challenge what the future holds Try and keep your head up to the sky Lovers, they may cause you tears Go ahead release your fears, stand up and be counted Don't be ashamed to cry

You gotta be You gotta be bad, you gotta be bold, you gotta be wiser You gotta be hard, you gotta be tough, you gotta be stronger You gotta be cool, you gotta be calm, you gotta stay together All I know, all I know, love will save the day

Herald what your mother said Reading the books your father read Try to solve the puzzles in your own sweet time Some may have more cash than you Others take a different view, my oh my, heh, hey

You gotta be bad, you gotta be bold, you gotta be wiser You gotta be hard, you gotta be tough, you gotta be stronger You gotta be cool, you gotta be calm, you gotta stay together All I know, all I know, love will save the day

Life asks no questions, it goes on without you Leaving you behind if you can't stand the pace The world keeps on spinning You can't stop it, if you try to This time it's danger staring you in the face

Remember, listen as your day unfolds Challenge what the future holds Try and keep your head up to the sky Lovers, they may cause you tears Go ahead release your fears, my oh my heh, hey, hey

You gotta be bad, you gotta be bold, you gotta be wiser You gotta be hard, you gotta be tough, you gotta be stronger You gotta be cool, you gotta be calm, you gotta stay together All I know, all I know, love will save the day

You gotta be bad, you gotta be bold, you gotta be wiser You gotta be hard, you gotta be tough, you gotta be stronger You gotta be cool, you gotta be calm, you gotta stay together All I know, all I know, love will save the day
