

## Queens of Sodomy

Desaster

Welcome to this convent, pure fertility to breathe  
Masturbating mental sickness holy mother for all tease  
Your filth will always guide my souls  
We love your entities  
Confession always clears our sins  
We live for sodomy!

We are, true  
Queens of Sodomy  
Deep throat confessions, Destined Blasphemy  
Hell yeah!  
We are, true  
Queens of Sodomy  
Licking heels of fire, Devotion the supreme

Hardcore to the core, entertained up the max  
Your fevered licking tongues forming me like wax  
In ecstasy I will kneel before  
Your bobbies like shrines to me  
Tragedy always clears our sins  
I curse you, entity

We are, true  
Queens of Sodomy  
Deep throat confessions, Destined Blasphemy  
Hell yeah!  
We are, true  
Queens of Sodomy  
Licking heels of fire, Devotion the supreme

Cum on you suckers for Eve's apple we will bang you  
all!
