

# I Won't Let Me

Descendents

While you are away I'm waiting  
I'm out of my mind you're out of town  
You know I'm no stranger to frustration  
I won't break I won't let you down

Cause I know right from wrong  
And I know I can be strong  
You know I won't let me let you down

I look back on my past, I'm dirty  
I know that guy would always let you down  
But while I am away don't worry  
Just keep your faith in me and have no doubt

Cause I know right from wrong  
And I know I can be strong  
If there's no lying then there's no crying  
Arrive in your own time stay patient  
You know I won't let me let you down

(I'm waiting)  
You know I won't let me let you down  
(You know I won't let me, waiting)  
You know I won't let me let you down  
(You know I won't let me)

Won't let myself be led into temptation  
It's you and me nobody else allowed  
Well you know I'm no stranger to frustration  
Just keep your faith in me and have no doubt

Cause I know right from wrong  
And I know I can be strong  
If there's no lying there's no crying  
Arrive in your own time stay patient  
You know I won't let me let you down

(I'm waiting)  
You know I won't let me let you down  
(You know I won't let me, I'm waiting)  
You know I won't let me let you down  
(You know I won't let me)  
You know I won't let me let you down  
You know I won't let me let you down  
You know I won't let me let you down
