

Silly Girl

Descendents

Started on a summer Sunday the pink dress on the setting sun
You were going to grandma's house I was too scared to come

Silly girl I'm beggin you
Tell me all the things that I want to hear
Silly girl I'm in love with you

I had to run to catch you, you always move so fast
With your cute little smile and silly laugh, God gave me love a
t last

They said just stay away and now I wish I had
I'm so in love with you, my silly girl

They made me go away, sometimes life isn't fair
But I'll be back some day, I hope you'll still be there

When you're just a Silly boy like me you're always so scared
I was too scared to love you, even though I really cared
