Wendy

Descendents

Wendy, Wendy what went wrong Oh so wrong We went together for so long

I never thought a guy could cry 'Til you made it with another guy Oh Wendy, Wendy left me alone Hurt so bad

Wendy, Wendy don't lose your head Lose your head Wendy don't believe a word he says

I can't picture you with him His future looks awful dim Oh Wendy, Wendy left me alone Hurt so bad

Wendy I wouldn't hurt you like that No no no I thought we had our love down pat Guess I was wrong

The farthest thing from my mind Was the day that I'd wake up to find My Wendy Wendy left me alone

Wendy, Wendy left me alone Hurts so bad Wendy, Wendy left me alone Hurts so bad Wendy, Wendy left me alone Hurts so bad Wendy, Wendy...
