

## Time Between

Desert Rose Band

Don't say you love me,  
Don't say you care  
You're so far away  
Telephone communication,  
Only a three minute elation  
When I hear your voice  
Through love and trust  
It's gonna work out fine  
The only pain I feel  
Is all this time between  
You and me, you and me

All the days have turned to years,  
Only emphasize my fears  
Since you said goodbye  
I can hear your voice at night,  
I can read the words you write  
It's only love  
Through love and trust  
It's gonna work out fine  
The only pain I feel  
Is all this time between  
You and me, you and me

Now don't say you love me,  
Don't say you care  
You're so far away  
I can hear your voice at night,  
I can read the words you write  
It's only love  
Through love and trust  
It's gonna work out fine  
The only pain I feel  
Is all this time between  
You and me, you and me

Through love and trust  
It's gonna work out fine  
The only pain I feel  
Is all this time between  
You and me, you and me  
You and me
