

## Licking Stick

Desmond Dekker

Papa, papa, papa  
Do not lick me with that  
Mama, mama, mama  
It licked too hot

I've got the flipping hiccups, mama  
I've got the flipping hiccups, papa

Mama, mama, mama  
Are you feeling sick  
Papa, papa licked me  
With the licking stick

I've got the flipping hiccups, mama  
I've got the flipping hiccups, papa

Papa, papa, papa  
Do not lick me with that  
Mama, mama, mama  
It licked too hot

I've got the flipping hiccups, mama  
I've got the flipping hiccups, papa

Mama, mama, mama  
I am feeling sick  
Papa, papa licked me  
With the licking stick

I've got the flipping hiccups, mama  
I've got the flipping hiccups, papa

Mama, please tell daddy  
Do not hit me with that  
Mama, I'm feeling pain  
I'm really, really feeling

Mama, help me tell my daddy  
To help me, I can't stand it, I can't  
No, I can't stand it  
No, no, I can't
