

Music Like Dirt

Desmond Dekker

We're having a party I hope you are hearty
We're having a party I hope you are hearty
Sing it to me children
Rom bomp a loo bomp bomp bomp ballooey
Rom bomp a loo bomp bomp intensify
Music like dirt for your money's worth
Music like dirt for your money's worth
Sing it to me children
Rom bomp a loo bomp bomp bomp ballooey
Rom bomp a loo bomp bomp intensify
Girls like sand to match every man
Girls like sand to match every man
Sing it to me children
Rom bomp a loo bomp bomp bomp ballooey
Rom bomp a loo bomp bomp intensify
Oh, girls can't hide from intensified guys
Music that stays on for extra days
Intensified boys with thoughts full of joy
Intensified girls with their fancy clothes
Sing it to me children
Rom bomp a loo bomp bomp bomp ballooey
Rom bomp a loo bomp bomp intensify
