

# Unity

Desmond Dekker

This is the time that we all should live as one, brothers  
This is the time that we all should live as one, sisters  
So come along brothers  
And come along sisters  
U.N.I.T.Y.  
This unity  
So come along brothers and sisters  
Whoah-ohhh!

Aaaaah! Aaaaah!  
We must live as one  
'Couse two wrongs can never make a right  
Look into the age that we're living in today, brothers  
Look into the age that we're living in today, sisters  
So come along brothers  
And come along sisters  
U.N.I.T.Y.  
This unity  
So come along brothers and sisters  
Whoah-ohhh!

Aaaaaa! Aaaaaaa!  
Aaaaaaaaaa-aaaaa-aaah!  
Look into the age that we're living in today, brothers  
Look into the age that we're living in today, sisters  
So come along brothers  
And come along sisters  
U.N.I.T.Y.  
This unity  
U.N.I.T.Y.  
This unity  
U.N.I.T.Y.  
This unity
