

## Coming Back

Desperation Band

I was far away but You found me and You  
made me want to stay  
I was falling down but You lifted me and  
turned my life around

Now I'll follow recklessly  
And I'll love You with all that is in me

I am coming back 'cause  
You are coming after me  
And I surrender now

When I lost myself  
I came alive and You came into me  
When I let it go  
I realized You are all I need

Now I'll follow recklessly  
And I'll love You with all that is in me

I am coming back 'cause  
You are coming after me  
And I surrender now

(Come on, Come On)

Now I'll follow recklessly  
Yeah, I'll follow recklessly  
Now I'll follow recklessly  
And I'll love you with all that is in me

I am coming back 'cause  
You are coming after me  
And I surrender now  
(Yeah, Yeah)

I am coming back 'cause  
You are coming after me  
And I surrender now  
Yeah I surrender now  
Yeah I surrender now

Surrender Now (3x)
