

For Your Name

Desperation Band

Jesus Your name is far above all others
Jesus Your name be praised
No other name is worthy of all honor
Jesus Your name be praised
For Your name for Your glory
For the Lamb who once was slain
For the joy that's set before me
I will give my life away
Kingdoms will fall and all will fade away
Jesus Your name is great
We become small so all the earth will see You
Jesus Your name is great
For the glory of Your name
I will give my life away
