

## Friend

## Desperation Band

All of my life is just to be Yours  
All of my days there's one thing it's for  
All that I've gained I count it as loss  
There's only One that I want the most  
O just to be Your friend  
And just to lean upon You  
I want to know the secrets of Your heart  
Jesus make me Your friend  
Jesus make me Your friend  
To bear the mark of my Savior  
To share the wounds of my King  
To know the glory of my Jesus  
To have the heart of my friend
