

Give Myself Away

Desperation Band

Whatever the cost
Whatever it takes
I give You my life
So take it away
For all of Your suffering
For Your sacrifice
Receive Your reward and take my whole life
Receive Your reward and take my whole life
I give myself away to You
So send me
Use me
Do everything that You want to do
I give my all my everything
So all the earth will see that Jesus
You're King of the World
I give myself away
I give myself away
I give myself away to You
