

Good To Me

Desperation Band

I will be still
In the arms of my Savior
You calm my soul
As you sing over me
All of Your goodness
Follows me forever
I will live endured Your way

Chorus:

You are good to me
You are good to me
Oh Your love fills my soul
And my heart will always know
God, You are good to me

I will be still
In the arms of my Savior
You calm my soul
As You sing over me
All of Your goodness
Follows me forever
I will live endured Your way

Repeat Chorus Twice

Oh! So good to me
