

# I'm In Love With You

**Desperation Band**

With all my heart with all I am  
All I have I give to You  
Your love has won my heart  
And Your joy makes me draw near  
So we dance and we sing  
And we give our hearts again  
And we shout to You  
And we lift our voices now  
I'm in love with You  
I'm in love with You  
I'm in love with You  
I'm in love with You
