

Light of Salvation

Desperation Band

All around the world
You hear now's the time
Break the chains and hold them high
Hold them high
We were made for such a time as this
To make a difference
In the world we live
Now we live
Who's dancing, who's singing?
Who's living a life worth living?
We are, we are we're shining
The light of salvation
Who's running, who's loving?
Who's breaking the doors wide open?
We are we are we're shining
The light of salvation
Old has turned
To something new and beautiful
Broken dreams are coming true
They're coming true
Hey, hey, hey, hey
We're shining the light of salvation
Hey, hey, hey, hey
We're shining the light of salvation
We have made our choice we are
We are a generation
With one voice to shout
Of Your salvation
