Light of Salvation

Desperation Band

All around the world You hear now's the time Break the chains and hold them high Hold them high We were made for such a time as this To make a difference In the world we live Now we live Who's dancing, who's singing? Who's living a life worth living? We are, we are we're shining The light of salvation Who's running, who's loving? Who's breaking the doors wide open? We are we are we're shining The light of salvation Old has turned To something new and beautiful Broken dreams are coming true They're coming true Hey, hey, hey, hey We're shining the light of salvation Hey, hey, hey, hey We're shining the light of salvation We have made our choice we are We are a generation With one voice to shout Of Your salvation
