

# Magnified

Desperation Band

We stand in awe  
Of Your unfailing love  
That has covered us  
We stand amazed  
Of Your unending grace  
We cannot repay

Jesus wonder of the world  
How we love You  
Savior Son of God  
Be magnified magnified

Our hearts bowed low  
In your presence Lord  
We are overcome  
Our hands held high  
To declare Your worth  
Your magnificence

Jesus wonder of the world  
How we love You  
Savior Son of God  
Be magnified magnified

The heavens can't contain your great love your great love  
All the earth will rise to say You're the one You're the one  
Every heart and every soul will declare will declare  
Jesus magnified

Jesus wonder of the world  
How we love You  
Savior Son of God  
Be magnified magnified
