

My God

Desperation Band

Verse 1:

Beautiful is for the broken
All the earth is for the meek
Living water for the thirsty
Strength and power for the weak

Chorus:

This is my God
Holy and pure
Sovereign and sure
Only my God
Bled for my soul
Now I surrender all

Verse 2:

Comfort is for all the hurting
And the kingdom for the poor
Mercy for the ones who show it
The pure in heart will see Him more

Bridge:

Holy is my God
Who's making all things new
Devoted and undone
I worship You
