Remember the first day when I saw your face
Remember the first day when you smiled at me
You stepped to me and then you said to me
I was the woman you dreamed about
Remember the first day when you called my house
Remember the first day when you took me out
we had butterflies although we tried to hide it
and we both had a beautiful night

The way we held each others hand, the way we talked, the way we laughed it felt so good to find true love I knew right then and there you were the one o-oo-ooooo

I know that he loves me cause he told me so
I know that he loves me cause his feelings show
When he stares at me you see he cares for me
You see how he is so deep in love
I know that he loves me cause its obvious
I know that he loves me cause its me he trust
and he's missing me if he's not kissing me
and when he looks at me his brown eyes tell his soul

Remember the first day, the first day we kissed Remember the first day we had an argument we apologized and then we compromised and we've haven't argued since Remember the first day we stopped playing games Remember the first day you fell in love with me it felt so good for you to say those words cause I felt the same way too

The way we held each other's hands, the way we talked, the way we laughed it felt so good to fall in love and I knew right there and then that you were the one

I know that he loves cause he told me so
I know that he loves me cause his feelings show
When he stares at me you see he cares for me
You see how he is so deep in love
I know that he loves me cause it's obvious
I know that he loves me cause it's me he trust
and he's missing me if he's not kissing me
and when he looks at me his brown eyes tell his soul

I'm so happy, so happy that your in my life and baby now that your apart of me you've shown me shown me the true meaning of love(the true meaning of love) and I know he loves me

I know that he loves me cause he told me so
I know that he loves me cause his feelings show
When he stares at me you see he cares for me
You see how he is so deep in love

I know that he loves me cause it's obvious
I know that he loves me cause it's me he trust
and he's missing me if he's not kissing me
and when he looks at me his brown eyes tell his soul

He looks at me and his brown eyes tell his soul
