I know you see me watchin' you  
and I see you watchin' me  
cuz boy your bodys calling,

I'm chillin' at the spot and my posse's 4 deep  
got my man on my mind turn my head what did I see  
the fellas lookin fly, there was one that caught my eye  
so I bit my lip switched my hips as I walked by saying  
"Sexy boy you so fly I just might give you a try  
I'm a write yo number in the palm of my hand  
oops I forgot I got a man"

I know you see me watchin' you  
(you're so sexy yeahh)  
and I see you watchin' me  
cuz boy your bodys calling,  
the temptation is killin' me

I'm thinkin to myself should I even take a chance  
should I do whats on my mind or should I stay down  
with my man  
this boy got me feenin and I'm wantin him so bad  
should I chill one night with him and risk everything i have,  
saying  
"Sexy boy you so fly I wish I could give you a try  
but my mans at home waiting for me by the phone  
sorry can't get my groove on"

I know you see me watchin' you  
(you're so sexy yeahh)  
and I see you watchin' me  
cuz boy your bodys calling,  
the temptation is killin' me
