Would I pay a pizza 80 bucks? It's not time that will make the pizza fine You're not a vintage wine You're not a fancy off-dry You're on the wrong shelf

Would you use Britney Skye to have a match on a Sega Mega Drive

Would you use this guitar riff to prepare your mum a spaghetti pie?

With that I didn't mean talking to you is wrong It's just improper use Father said so

I will not overpay and over wait Don't like the mozzarella to go cold Is the margherita theory

Don't go cross thinking I don't want you for what you are not

Girl I say
May god me me gay someday
May god make me gay on Sunday
