

## Foam Hands

Destroyer

True love regrets to inform you  
There are certain things you must do  
To perceive his face in the stains on the wall

I didn't know what time it was at all  
I didn't know what time it was at all  
Foam hands

Since you been gone  
Since you been gone  
Me and the king have been steadily growing apart  
He lives down the hall

I didn't know what time it was at all  
I didn't know what time it was at all  
Foam hands

I'm not the kind to tell you what is true  
And what is totally out of control  
I didn't know what time it was at all  
I didn't know what time it was at all  
Foam hands
