

Marrying The Hammer

Destroyer

Such a stately manor
What a waste
The trickle-down effect won't touch this place
We'll miss the fun, we'll miss the glamour

Careful with those apostrophes, please
It can't be "our's" (it took me hours?) when it is "we are"
The grammar just doesn't follow another
Petty catastrophe to swallow

A girl is good
You say with a stammer
Divorcing the chords
To marry the hammer
